Indeed, every few are the diseases in which a Purgative Medicine is not more or less required, and much sickness and suffering might be prevented, if a harmless but effectual Cathartie were more freely used. No person can feel well while a costive habit of body prevails; besides it soon generates serious and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This is alike true of Colds, Feverish symptoms, and Billious derangements. They all tend to become or produce the deep seated and formidable distempers which load the heartes all over the land. Hence a reliable family physic is of the first importance to the public health, and this Pill has been perfected with consummate skill to meet that demand. Dr. Wistar's Balsam of Wild Cherry, is a chemical
extract of Wild Cherry and Tar. Every body knows that Wild Cherry possesses important medicinal proper
ties; and that Tar Water has always been administered in Consumption and Lung Affections generally, by our oldest and safest physicians. Various, remedies have been offered for the cure of diseases of the lungs, but of all that have yet been discovered, it is admitted by physicians, and all who have witnessed its effects, that none has proved as successful as this. for Asthma.

Shortness of Breath, and similar affections, it may be pronounced a positive cure. I has gured Asthma in many cases often and twenty years standing, after physicians had declared the case beyond the r
